

SEVEN JOURNEYS IN MOVEMENTS

by Roy Moran

#4 - From Isolation to Community (Relate)

1. How did it go in the time since the last meeting? Any successes, struggles or stories?
(Give all a chance to share, encourage and challenge one another - 10 min or so is good)

2. How is being in isolation different from being in community? Discuss this in your group.

3. What would it take to move from 'isolation' to 'community'? Discuss this in your group.

4. What practical steps can we take this week to make progress in this transition?
How can we help one another make this transition?

*Scripture resources: Hebrews 10:24-25; Galatians 6:1-2, 9-10 etc.
What other relevant scriptures can you think of?*
