

TEN MIND SHIFTS FOR MOVEMENTS TO EMERGE

by Roy Moran

#7 - From Conversion to Making Disciples

1. How did it go in the time since the last meeting? Any successes, struggles or stories?
(Give all a chance to share, encourage and challenge one another - 10 min or so is good)
2. How does 'making converts' differ from 'making disciples'? How would you define a 'convert' and a 'disciple'? How does Matthew 28:18-20 fit in here? Discuss in your group.

3. What would it take to complete the mind shift from 'conversion' to making 'disciple-makers'? Discuss this in your group.

4. What practical first steps can we take this week to make progress in this mind shift? How can we help one another?
